

Bellevue Transit Master Plan

***Bellevue Downtown Association
May 15, 2013***

- 1. Project Status Report**
- 2. Existing & Future Conditions**
- 3. Funding Scenarios**
- 4. Market Driven Strategies**
- 5. May 20 Council Action**
- 6. Next Steps**

Identifies the City’s transit service priorities that are responsive to different financial scenarios and attune to different time horizons.

Assesses roadway, signal system, and other rights-of-way improvements that could be made to support the transit vision outlined in the Service Element.

Articulates Bellevue’s interests as it responds to regional transit policy changes and financial uncertainties, and coordinates with partner agencies.

What service types are in place today and how well do they perform?

What are the attitudes and preferences that drive traveler choices?

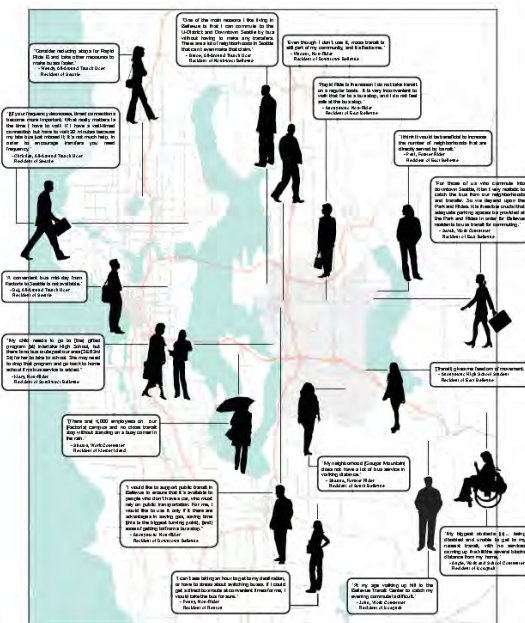

Which segments in which travel markets should transit services compete for?

What kinds of strategies can best seize these opportunities?
