BELLEVUE POLICE DEPARTMENT

ANNUAL REPORT
FOR THE YEAR
1965

N. J. GIARDINA
CHIEF OF POLICE

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

CHIEF'S
MESSAGE

Mr. L. Joe Miller, City Manager
City of Bellevue, Washington

Dear Mr. Miller:

Submitted herewith is the 1965 Annual Report of the
Bellevue Police Department.

As we look back upon this past year, we must also look
to the years ahead and plan for the expanding require-
ments of our community which is growing at an unprece-
dented rate. It is imperative to the safety and secur-
ity of the City of Bellevue that police effectiveness
keeps pace with this growth by increases in personnel
and equipment proportional to the accelerated demands
for services, (21% higher in 1965 than in 1964 and may
be expected to continue still higher in 1966).

The Bellevue Police Department will continue to oper-
ate in purposeful dedication to the protection of the
lives, rights and property of our citizens and I wish
to commend the members of my staff for their unselfish
pursuit of this goal.

Respectfully submitted,

A handwritten signature in cursive script that reads "N. J. Giardina".
