Intersection Studies on 156th Ave SE

May 2019

The Bellevue Transportation Department is preparing traffic analysis reports for three intersections on 156th Avenue SE: at Lake Hills Boulevard, SE 16th Street and SE 24th Street. The reports are based on congestion reduction studies and two public meetings held to receive feedback. As a last opportunity for comment, you are encouraged to review the draft alternatives and submit feedback by June 14, 2019.
