

## **2023-2029 Adopted Capital Investment Program (CIP) Plan Regional Leadership and Influence**

The Regional Leadership and Influence strategic target area is focused on establishing partnerships with regional governments and local businesses to promote mutual areas of interest. In the 2023-2029 CIP, there are no projects specifically developed to address this strategic target area.

Note: In adopting the 2023-2029 CIP, the City Council did not specifically identify projects to be funded by General Taxes versus Bond Funding. Since both General Taxes and long-term general obligation bond proceeds are fungible means of project financing, some of the following project description pages have combined these funding sources into a single line. As the City enacts the adopted financing strategy, specific projects will be identified as recipients of the associated proceeds.
