Lending a hand to improve homes

A 17-year partnership of Jubilee REACH, City of Bellevue, local businesses, and homeowners

Do you love your home but yardwork or an outside project has become too much to manage due to physical or financial hardship?

Together, Jubilee REACH and the City of Bellevue will coordinate a team of volunteers to help homeowners with yard maintenance and/or outside home improvement needs.

“Jubilee in the Community” can help with many different outdoor projects. Some examples include:

- Yard clean-ups
- Bark and gravel spreading
- Power washing: driveways, decks, fences
- Fence, gate, shed or deck repair and painting
- Junk hauling
- Big and small projects are possible!

We encourage anyone in need, including economic or other life challenges, to apply. The ideal candidates are long-time residents, fixed or low income, elderly or those with little other means of support. To qualify, you must own and occupy your home in Bellevue. This program is free to Bellevue residents. However, **some projects require homeowners to assist with minimal material costs.**

A selection panel representing Jubilee REACH will determine which applicants qualify. If you applied last year but did not receive help due to the number of applicants, please apply again.

Submit your application today!
Applications due by May 31, 2024.

Three ways to apply:

- Complete the enclosed application and mail it back or return to City Hall, 450 110th Ave NE.
- Complete the application online at BellevueWA.gov/jubileeinthecommunity
- Call Sarina Miller at 425-452-4295 for assistance completing the application
