20.20.128 Affordable housing.

A. Purpose and Administration.

1. The purpose of this section is to promote the development of affordable dwelling units by establishing requirements, incentives, and fees for new development.

2. The Director shall adopt by rule affordable housing standards to govern the construction, repair, modification, and operation of affordable dwelling units created by operation of this title. Such standards shall be consistent with the requirements of this title. When adopting affordable housing standards, the Director shall consider each of the following:
 - a. Consistency with the City's Comprehensive Plan;
 - b. Whether consistency with the City's other, non-Land-Use-Code-based affordable housing programs is beneficial to the City;
 - c. Whether consistency with affordable housing standards adopted by neighboring jurisdictions is beneficial to the City;
 - d. The impact on the City's affordable housing goals;
 - e. The impact on the cost of development; and
 - f. The impact on the quality of life of residents of affordable units.

3. The following affordable housing standards shall apply to any affordable dwelling unit created by operation of this title. In the event of a conflict between a standard listed below and a standard included elsewhere in this title, the standard included elsewhere shall control.

Commented [A2]: Areas of gray text are being updated through the Wilburton LUCA and is subject to change.

SECOND DRAFT: 3/19/2025

- a. The affordable dwelling units shall be generally distributed throughout the residential portions of a development and, where market-rate dwelling units are provided, intermingled with market-rate dwelling units. The Director shall define by rule the terms “generally distributed” and “intermingled” for the purposes of this subsection.
 - b. If all market-rate dwelling units in the development are for rent, then all affordable dwelling units shall also be for rent.
 - c. If all market-rate dwelling units in the development are for sale, then all affordable dwelling units shall also be for sale.
 - d. If the market-rate dwelling units in the development are a mix of dwelling units that are for rent and for sale, then the affordable dwelling units shall be a proportionate mix of rental and for sale units.
 - e. The affordable dwelling units shall consist of a mix of number of bedrooms that is in the same proportion as the bedroom mix of market-rate dwelling units in the overall development. The Director shall define by rule the term “bedroom” for the purposes of this subsection.
 - f. The affordable dwelling units shall be provided in a range of sizes comparable to the size of market-rate dwelling units in the development.
 - g. The materials, finishes, design, amenities, and appliances of affordable dwelling units shall have substantially the same functionality as, and be substantially comparable with, those of the other dwelling units in the development.
 - h. The affordable dwelling units shall remain affordable for the life of the project, which shall not be less than 50 years.
4. Legal Agreement. Whenever an affordable dwelling unit is created by operation of this title then, prior to issuance of a building permit for the development, the City and the owner of the site shall enter into an agreement, in a form approved by the City. Once fully executed, the agreement shall be recorded with the King County Recorder’s Office, on the title of the real property on which the development is located.
 - a. The agreement shall be a covenant running with the land and shall be binding on the assigns, heirs, and successors of the owner of the property.
 - b. If affordable dwelling units are later converted from being for rent to for sale, or for sale to for rent, then such dwelling units shall remain affordable to households at the same percentage area median income as required under the

Option B (voluntary affordable housing approach)

SECOND DRAFT: 3/19/2025

Director's original approval; provided, that the Director may approve different percentage area median incomes. Where different percentage area median incomes are approved in relation to a conversion, the Director shall require the owner to execute and record a revised legal agreement reflecting the new percentage area median incomes.

- c. The affordable dwelling units shall remain affordable to households at the same percentage area median income as required under the Director's original approval for the life of the project, which shall not be less than 50 years.
 - d. Through the agreement, the Director may agree to subordinate the agreement for the purpose of enabling the owner to obtain financing for development of the property; provided, that such subordination is consistent with the applicable requirements of this title.
 - e. The agreement shall address price restrictions, home buyer or tenant qualifications, phasing of construction, monitoring of affordability, and any other topics applicable to the construction, maintenance, and operation of the affordable dwelling units; provided, that the covenant shall be consistent with the applicable requirements of this title.
5. Annual Adjustments for Inflation. The Director is both authorized and directed to annually increase or decrease the fees listed below by an adjustment necessary to reflect the then-current published annual change in the Seattle Consumer Price Index for Wage Earners and Clerical Workers:
- a. The in-lieu fees contained in Table 20.20.128.I.4; and
 - b. The in-lieu fee for nonresidential development contained in Chart 20.25Q.070.D.4.

B. Definitions.

- 1. "Mixed-income multifamily development" means a multifamily development project that includes both market rate and affordable housing units.
- 2. "Religious organization" means the federally protected practice of a recognized religious assembly, school, or institution that owns or controls real property as defined in RCW 35A.63.300, now or as hereafter amended.
- 3. "Affordable housing suffix" means a suffix consisting of AH and a number, enclosed in parentheses and appended to the Land Use District classification applied to a

Housing Opportunities in Mixed-use Areas (HOMA) Strike Draft
 Option B (voluntary affordable housing approach)

SECOND DRAFT: 3/19/2025

property. These suffixes correspond to alternate multifamily Land Use Districts which are applicable to affordable housing development when consistent with the requirements of subsection H of this section.

4. "Reference land use district" means the land use district located within 500 feet of a property eligible for an affordable housing suffix rezone used to determine the density available for the rezone. The reference land use district is identified using the criteria provided in subsection H.3 of this section.
5. "Affordable" means that a household eligible to rent or own the dwelling unit pays no more than 30 percent of household income for housing expenses.
6. "Area Median Income" means the median income for the Seattle-Bellevue, WA Housing and Urban Development Metro Fair Market Rent Area ("Seattle-Bellevue HMFA") as most recently published by the United States Department of Housing and Urban Development (the "HUD"). In the event that HUD no longer publishes median family income figures for Seattle-Bellevue HMFA or King County, the director may estimate the applicable median income, in such manner as the director shall determine by rule adopted following a public comment opportunity.

20.25P.060 Dimensional requirements.

A. General.

This subsection (Chart 20.25P.060.A, Dimensional Requirements in Eastgate Transit Oriented Development Land Use District) sets forth the dimensional requirements for the district. The Dimensional Requirements of Chart 20.20.010 do not apply in the EG-TOD. Each structure, development, or activity in the EG-TOD shall comply with these requirements except as otherwise provided in this section. If a number appears in a box at the intersection of a column and a row, the dimensional requirement is subject to the special limitation indicated in the corresponding note.
