

NO

NEVER wash soap
or dirty water
down the
storm drain!

WASHING THE FLEET?

NOTHING BUT RAIN DOWN THE STORM DRAIN

YES

Wash vehicles in a
facility where all water
goes into the sanitary
sewer system.

STORMWATER RUNOFF IS NOT TREATED and is the leading source of water pollution in our community. Runoff flows directly from the storm drain into local streams and lakes.

Many business activities can contribute to stormwater pollution. **YOU** can help keep pollutants out of our streams and lakes and reduce the hazards to people and fish!

Remember - Nothing But Rain Down The Storm Drain.
