Intersection Study Areas:

As a part of the Neighborhood Safety, Connectivity and Congestion Levy, the city will evaluate how to improve traffic flow and safety at this intersection, which could also impact operations at nearby intersections:

- 121st Avenue SE and SE 8th Street and
- Richards Road and Lake Hills Connector
(see map on reverse side)

Proposed improvements may include traffic signal modifications or roundabouts.

Project Schedule: Concept design alternatives will be presented at the Open House for feedback. A final design recommendation report and design concept will be completed in June 2019.
