

**CITY COUNCIL STUDY SESSION ITEM**

**SUBJECT**

Public hearing on Ordinance No. 6156 amending Ordinance 6133 B-1, regulating recreational marijuana uses, to include a new separation requirement for recreational marijuana retail outlets.

**FISCAL IMPACT**

The fiscal impact of amending Ordinance No. 6133 B-1 is anticipated to be minimal. The state has allocated only four marijuana retail outlet licenses for Bellevue, so current budget authority will be able to address any unanticipated incremental cost increase. At this time, no material costs are expected.

**STAFF CONTACTS**

Lori Riordan, City Attorney 452-7220  
*City Attorney's Office*

Carol Helland, Land Use Division Director 452-2724  
Catherine A. Drews, Legal Planner 452-6134  
*Development Services Department*

**POLICY CONSIDERATION**

Holding a public hearing on the amendment to Ordinance No. 6133 B-1 does not pose any policy issues. This public hearing will provide the public an opportunity to comment on the amendment. A copy of Ordinance No. 6133B-1 is included as Attachment A and Ordinance No. 6156 is included as attachment B.

**INTRODUCTION**

The Growth Management Act (GMA) authorizes jurisdictions to implement interim zoning controls for periods of up to six months, using the process allowed under the Act. The process requires the City to hold a public hearing within 60 days of its adoption of an interim zoning control.<sup>1</sup> Council extended Ordinance No. 6133 B-1, which imposes interim regulations for recreational marijuana uses, for an additional six-month period on March 17, 2014 by adopting Ordinance No. 6156. During the public hearing, Council amended Ordinance No. 6133 B-1 to require that marijuana retail outlets be located no closer than 1,000 feet to another marijuana retail outlet. The notice, however, for the March 17 public hearing did not anticipate this action, so another public hearing is required within 60-days of adoption of Ordinance 6156 to provide

the public with an opportunity to comment on the amendment. The May 12 public hearing satisfies this requirement.

## **BACKGROUND**

Washington voters approved Initiative 502 (I-502) legalizing the possession of limited amounts of marijuana on November 6, 2012. I-502 became effective on December 6, 2012, and is codified into Chapter 69.50 RCW, the state Uniformed Controlled Substances Act. The Washington State Liquor Control Board (LCB) is the agency tasked with developing and implementing regulations for recreational marijuana producers, processors, and retailers. The LCB published draft rules in the fall of 2013.

At the July 15, 2013 Study Session, staff sought and received direction to develop recommendations for an emergency interim zoning ordinance implementing land use regulations for recreational marijuana producers, processors, and retailers. Based on the LCB's schedule, there was insufficient time for the City to pursue enactment of permanent zoning regulations using the process generally employed under the Land Use Code of delegating consideration of proposed zoning to the Planning Commission for a public hearing and subsequent recommendation to Council. Instead of this process, the City used the emergency ordinance and interim zoning control processes allowed under the GMA.

On October 7, 2013, staff presented recommendations to Council in preparation for adoption of an emergency ordinance implementing an interim zoning control. In response to the draft rules and to ensure that the City had appropriate zoning established for recreational marijuana uses, on October 21, 2013, the City Council adopted Ordinance No. 6133 B-1. This ordinance implemented an emergency interim zoning control regulating the location of recreational marijuana uses and providing performance standards intended to address impacts related to the operation of recreational marijuana uses. On December 2, 2013, Council held the required public hearing and extended the emergency interim zoning control beyond the initial 60-day period for a period of six months as allowed under the GMA. The Council also adopted the planning principles proposed by staff. Council again extended Ordinance No. 6133 B-1 for an additional six-month period after holding a public hearing on March 17. During this public hearing, Council amended Ordinance No. 6133 B-1 to require that marijuana retail outlets be located no closer than 1,000 feet to another marijuana retail outlet. The purpose of the amendment was to prevent the retail outlets from being clustered in one area.

The LCB has begun issuing licenses for recreational marijuana producers and processors. As of May 5, 2014, the LCB has not issued any recreational marijuana licenses for operations in Bellevue. LCB issued a Conditional Approval Letter to a recreational marijuana producer in Bellevue on May 2, 2104. The letter is the precursor to issuance of a state license and provides a list of steps the licensee must accomplish to receive its state license.

The lottery for retail licenses is complete. 19 applications were ranked for Bellevue, which was allocated four licenses. Three of the top four lottery positions are located in areas allowed under the interim zoning regulation. The fourth is located in the Bel-Red Residential land use district and no recreational marijuana uses are allowed in this land use district. The following chart provides basic information on the top four lottery participants:

### LCB Lottery Rankings for Bellevue

Trade Name	Location Address	Rank	Allowed in Land Use Zone?	Issue w/Application?
Par 4 Investments	10697 Main St. Ste. B	1	Yes	Doesn't meet 1,000 feet separation requirement from #3
The Novel Tree	1817 130 <sup>th</sup> Ave NE	2	Yes	None
High Society	10600 Main Street	3	Yes	Doesn't meet 1,000 feet separation requirement from #1
Happy Highway	12121 Northrup Way Ste. 205	4	NO	Use not allowed in BR-R

Staff has notified all 19 lottery participants regarding the recently-adopted 1,000 foot separation requirements for retail marijuana outlets. Also, staff notified the first four lottery participants regarding the issues currently known for their proposed locations. These notices were mailed on May 5, 2014. Lottery participants must still go through the LCB's application process before receiving their licenses. Under LCB's rules, the agency must notify the City and allow us an opportunity to provide a recommendation to approve or disapprove of the applicants, the location, or both, based on the criteria in the rules. LCB will not, however, deny a license on the basis of violations of local zoning or other local regulations as they view this as the responsibility of the local jurisdiction. This means that the City will be responsible for enforcing local zoning regulations. LCB has stated it is emphasizing to license applicants that receipt of a state license is not a guarantee to operate in a given location.

#### **ALTERNATIVES**

Hold the public hearing on the amendment to Ordinance No. 6133 B-1. No other alternatives exist because the public hearing is required under RCW 36.70.390 to allow the public the opportunity to comment on the amendment imposing a new separation requirement for recreational marijuana retailers.

#### **RECOMMENDATION**

Hold the public hearing on the amendment to Ordinance No. 6133 B-1.

**MOTIONS**

1. Move to open the public hearing for comments on the amendment of Ordinance No. 6133 B-1 requiring marijuana retail outlets be located no closer than 1,000 feet to another marijuana retail outlet.
2. Move to close the public hearing and the record.

WHEREAS, Washington votes approved Initiative 502 (I-502) on November 6, 2012. In relevant part, I-502 legalized the possession of small amounts of marijuana and marijuana-related products for persons age 21 and older, and directed the Washington State Liquor Control Board (LCB) to develop and implement rules to regulate and tax recreational marijuana producers, processors, and retailers by December 31, 2013; and

WHEREAS, the LCB re-filed its proposed rules regulating recreational marijuana uses on September 4, 2013, and accepted the proposed rules on October 16; and

WHEREAS, the LCB rules become effective on November 16, 2013, and the LCB will begin accepting license applications for recreational marijuana beginning November 18, 2013. Applicants will be required to identify a business location with their application submittals; and

WHEREAS, the LCB allocated four recreational marijuana retail licenses for the City of Bellevue, and there are no limits on the number of recreational marijuana producer and processor licenses to be issued; and

WHEREAS, the City of Bellevue Land Use Code (LUC) prohibits all recreational marijuana producers, processors, and retailers as uses in the City of Bellevue;

WHEREAS, the City Council deems it to be in the public interest to establish interim regulations advising the public where recreational marijuana producers, processors, and retail uses may be located in the City of Bellevue before the application deadline established by the LCB for state licensing for such uses; and

WHEREAS, the establishment or licensing of recreational marijuana uses may allow new uses that are incompatible with nearby existing land uses and lead to erosion of community character and harmony; and

**Option B-1**

WHEREAS, marijuana is still classified as a schedule I controlled substance under federal law and crimes related to marijuana remain subject to prosecution under federal law; and

WHEREAS, On August 29, 2013, the United States Department of Justice, Office of the Attorney General, ("DOJ") released updated guidance regarding marijuana enforcement. The guidance reiterates that DOJ is committed to using its limited investigative and prosecutorial resources to address the most significant threats to public safety related to marijuana crimes in "the most effective, consistent, and rational way." The guidance directs federal prosecutors to review potential marijuana-related charges on a case-by-case basis and weigh all information and evidence, including whether the operation is demonstrably in compliance with a strong and effective state regulatory system and if the conduct at issue implicates one or more of the eight stated federal enforcement priorities. The DOJ appears to not differentiate application of the guidance between medical cannabis and recreational marijuana; and

WHEREAS, pursuant to RCW 36.70A.390 a public hearing must be held within 60 days of the passage of this ordinance; and

WHEREAS, establishment of interim regulations of six months in duration for establishment of recreational marijuana producers, processors, and retailers will prevent substantial change until the land areas and the text of development standards applicable to recreational marijuana uses is reviewed, and any needed revisions are made to city codes; and

WHEREAS, the potential adverse impacts upon the public safety, welfare, and peace, as outlined herein, justify the declaration of an emergency; now therefore,

**CITY OF BELLEVUE  
CITY COUNCIL  
PUBLIC HEARING NOTICE**  
Interim Official Controls Regulating  
Recreational Marijuana Uses  
Rules of Procedure are available at the  
City Clerk's Office

**NOTICE IS HEREBY GIVEN** that the Bellevue City Council will hold a public hearing during its 6:00 pm Extended Study Session meeting on Monday, May 12, 2014, in the Council Conference Room (1E-113) in Bellevue City Hall, 450 110th Ave NE, Bellevue, to consider amendments to Ordinance No. 6156 requiring recreational marijuana retail outlets be located no closer than 1,000 feet to another recreational marijuana retail outlet. As authorized under the Growth Management Act (GMA), on October 21, 2013, the Bellevue City Council adopted Ordinance No. 6133 B-1 adopting an official interim zoning control regulating the location of recreational marijuana producers, processors, and retailers and providing operation and performance criteria to protect neighborhoods from the impacts related to the operation of recreational marijuana uses. On December 2, 2013 the City Council held a public hearing as required under the GMA, after which the Council affirmed that Ordinance No. 6133 B-1 would remain in effect for an initial period of six months, until April 21, 2014, while the City drafts, considers, holds hearings, and adopts permanent regulations. The GMA allows cities to renew the interim official control for one or more six-month periods if a subsequent public hearing is held. On March 17, 2014, the Bellevue City Council extended the interim control by adopting Ordinance No. 6156, which Council amended by motion and vote to impose the new separation requirement. The purpose of the May 12, 2014 public hearing is to provide an opportunity to take written and oral comments regarding the 1,000 separation requirement between recreational marijuana retail outlets.

Meetings are wheelchair accessible. American Sign Language (ASL) interpretation is available upon request. Please phone 425-452-7810 or 711 (TDD Relay Service) by 5:00 p.m. on Thursday, May 8 if you require ASL interpretation services. Assisted Listening Devices are also available upon request.

Comments: Any person may participate in the public hearing by submitting written comments to the City Council in care of Myrna Basich, City Clerk, P.O. Box 90012, Bellevue, WA 98009, or the Director of the Development Services Department at the same address before the public hearing, or by submitting written comments or making oral comments to the City Council at the hearing. All written comments received by the City Clerk or Director will be transmitted to the City Council no later than the date of the public hearing. Written comments will also be accepted and may be mailed or e-mailed to Catherine Drews, Legal Planner, Development Services Department, City of Bellevue, P. O. CITY OF BELLEVUE  
**CITY COUNCIL**  
PUBLIC HEARING NOTICE  
**Interim Official Controls Regulating Recreational Marijuana Uses**

Rules of Procedure are available at the City Clerk's Office

NOTICE IS HEREBY GIVEN that the Bellevue City Council will hold a public hearing during its 6:00 pm Extended Study Session meeting on **Monday, May 12, 2014**, in the Council Conference Room (1E-113) in Bellevue City Hall, 450 110<sup>th</sup> Ave NE, Bellevue, to consider amendments to Ordinance No. 6156 requiring recreational marijuana retail outlets be located no closer than 1,000 feet to another recreational marijuana retail outlet. As authorized under the Growth Management Act (GMA), on October 21, 2013, the Bellevue City Council adopted Ordinance No. 6133 B-1 adopting an official interim zoning control regulating the location of recreational marijuana producers, processors, and retailers and providing operation and performance criteria to protect neighborhoods from the impacts related to the operation of recreational marijuana uses. On December 2, 2013 the City Council held a public hearing as required under the GMA, after which the Council affirmed that Ordinance No. 6133 B-1 would remain in effect for an initial period of six months, until April 21, 2014, while the City drafts, considers, holds hearings, and adopts permanent regulations. The GMA allows cities to renew the interim official control for one or more six-month periods if a subsequent public hearing is held. On March 17, 2014, the Bellevue City Council extended the interim control by adopting Ordinance No. 6156, which Council amended by motion and vote to impose the new separation requirement. The purpose of the May 12, 2014 public hearing is to provide an opportunity to take written and oral comments regarding the 1,000 separation requirement between recreational marijuana retail outlets.

Meetings are wheelchair accessible. American Sign Language (ASL) interpretation is available upon request. Please phone 425-452-7810 or 711 (TDD Relay Service) by 5:00 p.m. on Thursday, May 8 if you require ASL interpretation services. Assisted Listening Devices are also available upon request.
