

# NEIGHBORHOOD LEVY PROJECT

TRANSPORTATION

June 2018

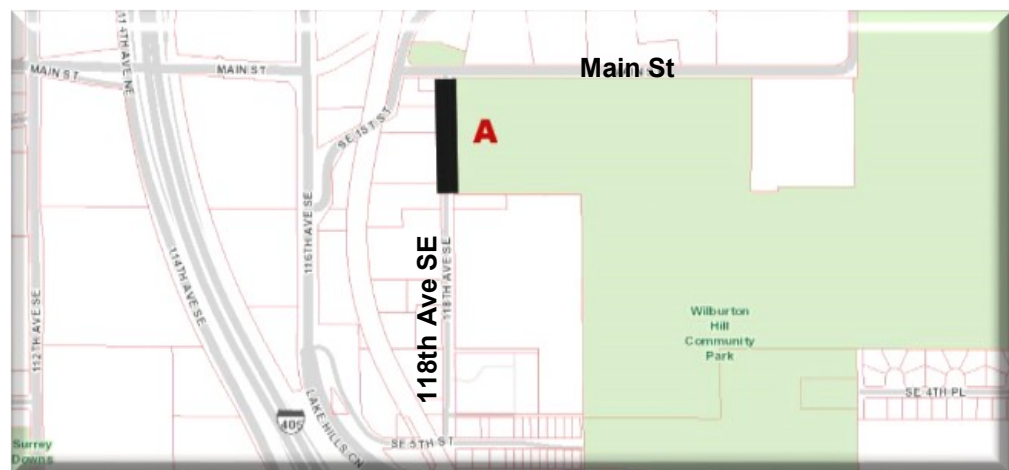

## Wilburton Area Sidewalk Projects **CONSTRUCTION AHEAD**

**Construction Project Will Improve Pedestrian Access:** To install new sidewalks before the next school year, we will begin construction mid-June to improve safety for people walking and biking in your community.

Locations of Improvements: This project will improve walking conditions at the following locations:

### **A. 118th Avenue SE:**

Complete the missing section of sidewalk on the east side of 118th Avenue SE, south of Main Street.

**B. 128th Avenue SE/NE:** Construct a sidewalk on the west side of 128th Ave SE/NE from the International School (SE 6th Place) to NE 2nd Street; add curb bump outs at SE 4th Place, SE 3rd Street, and Main Street as traffic calming features; and, install bicycle shared-lane markings (sharrows), to heighten attention that bicyclists are riding in the lane, from SE 7th Place to NE 2nd Street. In August, mailboxes will be replaced and relocated.

## Wilburton Area Sidewalk Projects — *Construction Ahead*

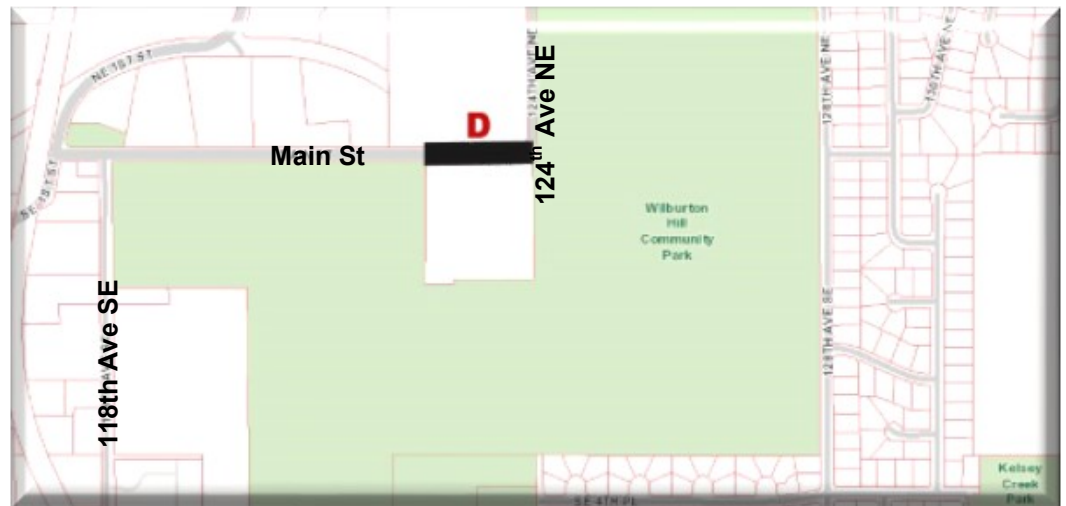

### **C. NE 2nd Street:**

Construct a sidewalk on the north side of NE 2nd Street between 124th Avenue NE and 128th Avenue NE; raise the NE 2nd Street / 126th Avenue NE intersection; remove the centerline striping on NE 2nd Street between 124th Avenue NE and 128th Avenue NE, and install bicycle shared-lane markings (sharrows) from 124th Avenue NE to 128th Avenue NE.

### **D. Main Street Trail:**

Remove and reconstruct the existing six-foot wide and 420-foot-long asphalt trail running east to west on the south side of Main Street, located just west of 124<sup>th</sup> Avenue NE (in front of the Wilburton Instructional Service Center).

**E. Decorative Intersection Treatments:** Apply decorative leaf patterns at three locations (*See dark blue circles on the maps*):

- 1) 128<sup>th</sup> Avenue SE at SE 4<sup>th</sup> Place (replacing the circular brick pavers)
- 2) 128<sup>th</sup> Avenue NE at NE 2<sup>nd</sup> Street
- 3) NE 2<sup>nd</sup> Street at 126<sup>th</sup> Avenue NE

Decorative intersections help to create community identity, encourage slower speeds and more attentive driving through intersections. The design concepts were shared at an Open House where residents chose a leaf pattern. These will be applied in hot plastic (like a big sticker) and are approximately 12 feet in diameter.

## Wilburton Area Sidewalk Projects — *Construction Ahead*

**Project Funding:** The project is funded by the Neighborhood Sidewalks Program, the Safety, Connectivity and Congestion Levy Program, the Major Maintenance Program, the Neighborhood Traffic Safety Program and the Parks Renovation & Refurbishment Program. The Bellevue School District is providing funding to support construction of the pedestrian improvements as part of the new Wilburton Elementary School. The total funding amount is \$2.2 million.

**Construction Schedule & Impacts:** Construction is expected to begin the third week of June. Work hours will be 7 a.m. to 6 p.m., Monday through Friday. The work will require occasional lane closures to complete the work safely. Pedestrian and driveway access will be maintained at all times.

Project locations A, C and D are expected to be complete by the end of August in advance of the 2018-2019 school year. Project location “B” is expected to be completed by the end of November.

When biking, driving or walking in the area, please be extra cautious and watch for lane or walkway closures. Please obey construction flaggers and posted construction signage. Safety is our main goal throughout this construction project.

**Questions & Comments:** If you have questions or comments, please contact the following city staff:

- **Wilburton Sidewalks:** Jun Suk An, project manager, 425-452-4230 or [Jan@bellevuewa.gov](mailto:Jan@bellevuewa.gov) or Kyle Thieme, construction inspector, 425-452-2870 or [Kthieme@bellevuewa.gov](mailto:Kthieme@bellevuewa.gov)
- **Bellevue Botanical Garden Trail:** Tom Kuykendall, community services supervisor, 425-452-7924 or [Tkuykendall@bellevuewa.gov](mailto:Tkuykendall@bellevuewa.gov)
- **Main Street Trail:** Daniel Lam, project manager, 425-452-2063 or [Dlam@bellevuewa.gov](mailto:Dlam@bellevuewa.gov)
- **Decorative Intersection Treatments:** Linda Glas, project manager, 425-452-2841 or [Lglas@bellevuewa.gov](mailto:Lglas@bellevuewa.gov)

**Construction Information Tools:** The best way to avoid construction delay is to stay informed by using the following information tools:

- Electronic Message boards: Provides dates or times of upcoming lane or road closures
- Real-time Traffic Map & Cameras: [www.bellevuewa.gov/trafficmap](http://www.bellevuewa.gov/trafficmap)
- Traffic Advisories webpage: [www.bellevuewa.gov/traffic\\_advisories.htm](http://www.bellevuewa.gov/traffic_advisories.htm)
- Follow the Transportation Department on Twitter: [@BvueTrans](https://twitter.com/BvueTrans)
- Capital Project (Interactive) Map: [www.bellevuewa.gov/capital-projects-map.htm](http://www.bellevuewa.gov/capital-projects-map.htm)
- Sign up for email alerts on project webpages: [www.bellevuewa.gov/transportation.htm](http://www.bellevuewa.gov/transportation.htm)
